

The Caldwell Communiqué

HEADLINE: THE FALL INTENSITY BEGINS

Success Story

100s' Perfect PCAs

Perfect PCAs have been created. Now that all of the 100s know C/Ernst's shoe shining secrets and how to iron perfect creases, they are ready for their next challenge: **Drill**

Will the perfectly dressed 100s be able to carry their momentum into LLAB or will they crumble at the hands of the POC?

100S ARE SHAKING IN THEIR POLISHED SHOES

100s and 200s alike have finally been reminded of the intensity of AFROTC.

With a taste of light screaming and some picture taking, the Corps of Cadets is getting back into shape and ready to start another semester of trials and triumphs.

Word on the street is that the POC are not taking it easy for LLAB 1 on Thursday. GET RREADY TO RUMBLEEE! SPAAACE!

Morale Event:

GHOST IN THE GRAVEYARD

FRIDAY - 1700 (5pm) - Horticulture Park

Credit to BCA ret. 250s officer C/3C Ernst for this idea! If you haven't played this game it's basically reverse hide and seek tag, where the hider has to tag the seeker!

Plus, we get to go and play in the woods!! Spooky!! 🎃👻
🌲 Word on the street is that all my homies will be there!
