## HEADLINE: LLAB 1 COMPLETE!!

### Success Story

### Ghosts In The Graveyard!

All my homies were at Horticulture park this week getting their PT in with Ghosts In The Graveyard! Things got spooky, ghosts were found, and most importantly we had a ton of fun!

Turns out that we were playing with the wrong rules the whole time...

Now thats spooky! 🤩

### SHOES NOT SHINED, FACE NOT SHAVED

Are we having fun yet!? I know I am. LLAB 1 was a warmup and hopefully a wakeup call for anyone that needed it. Word on the street is that next week will be transitory, so be ready 100s.

Also PLEASE shave! Ask C/Terrett what happens if you miss a spot...

Shoutout to C/Chemtob for being an awesome STANDO for Charlie!

Submit people to the Cadet Shoutout Form if you want to be on here next!

### Morale Event:

### LOUNGE KARAOKE

FRIDAY - 1800 (6pm) - GMC Lounge

Credit to Cadets Indraganti and Ptasznik for this idea! If you are ready to sing your heart out, dance in the lounge, or hang out with your fellow GMC, now is your time!

C/Cora is alleged to have the voice of an angel and will be putting on a star performance for us so don't miss it!!! 🎤🎤🎤  
(All my homies will be there)

Holy aura 🤩🤩🤩
