Success Story

LOUNGE CLEANERS

Lounge cleaning is at a historic high! Last semester, both the Delta Dingos and the Foxtrot Freebirds managed to fail the cleaning a record-breaking 3 times in a row! Now the reports are in from the GMCA that lounge cleaning is so good they are asking cadets to do a worse job!

Good job to whoever was beating the rugs so hard outside the lounge that we no longer have to clean them!!!

THE EXCITEMENT BUILDS FOR OHD

After completing the training day for Operation Hammer Down (OHD), the detatchment is hyped to "Begin Ex". With 100s galore, barely any rifle training, and POC who have admitted in the past "Yeah, I just don't call my hits" (C/1st Lt Braxton Mathew Malott), This is sure to be an incredibly fun time! So lace up your boots, ready your firearms, and get ready for OHD!!!
